

Head spa treatments x LÉONOR GREYL

The Head Spa combines massage techniques and natural ingredients from Léonor Greyl to offer capillary rejuvenation. Your scalp is purified, nourished, and revitalized, while your hair regains strength, shine, and softness. Immerse yourself in a calming steam mist, let yourself be lulled by the harmonious movements of a massage, and feel serenity flow through you. By the end of the experience, your hair is radiant, your mind is calm, and you feel completely renewed.

Léonor Greyl represents the art of refined hair beauty, a gentle melody blending elegance and nature. It's an invitation to rediscover the essence of healthy hair, through luxurious and simple formulations. Every step becomes a ritual, every bottle a promise of deep, elegant care. Hair is no longer just maintained—it is cherished and enhanced.

Facial treatments

x TATA HARPER

THE COMPLEX FACE MASSAGE

Developed by Tata Harper exclusively for Maisons Pariente, this energizing facial massage helps to restore smooth, plump, and radiant skin.

QUENCH & COCOON

Bring your skin deep hydration with this revitalizing facial. A honey-based cleanse combined with a sculpting massage intensely nourishes the skin and restores its natural glow.

SOOTH & REST

This calming and soothing treatment is ideal for sensitive or inflamed skin, helping to restore its natural defense system. With the help of Gua Sha, it focuses on lymphatic drainage to relieve facial tension.

Suitable for pregnant women.

ILLUMINATE & ENERGIZE

Using a natural acid peel, this treatment instantly brightens and refines your skin. It's followed by an oxygenating massage that repairs and strengthens the skin barrier.

BALANCE & GROUND

Offer your skin a customized treatment tailored to its specific needs. Every step is a true beauty ritual, blending purity and precision to reveal natural radiance and exceptional softness.

CLEAR SKIN & MIND

A synergy of manual techniques and high-performance products to enhance the skin's natural detox system, ensure lasting hydration, and promote a clear, luminous complexion.
