

Hand and foot care

x MANUCURIST

Manucurist, with its innovative and eco-friendly formulas, offers a palette of captivating, vibrant colors full of life and lightness. Inspired by the purity of natural ingredients, these products wrap the hands in infinite softness, revealing healthy, radiant nails.

The Gel Bottle is a brand that transforms manicure into a unique sensory experience, blending innovation with elegance. These semi-permanent polishes, with vibrant intensity and brilliant shine, coat the nail like a second skin, offering deep, long-lasting colors.
